

AI & the Future of Work

You're cordially invited to join us at the upcoming AI & The Future of Work Executive Exchange on **Wednesday, August 26**. Industry thought leaders, IBM Data and AI clients, and executives will come together for an exclusive VIP event to discuss the role AI is playing in re-envisioning work – from business analytics to risk and compliance to customer experience to AI workflows.

The Executive Exchange is only for a group of VIP client sand will feature a headline keynote and client demos showing the results clients are seeing with AI.

Please RSVP for the event here: ibm.biz/FoW2020

Below please find an agenda of the afternoon, as well as the IBM executives who will be on hand to answer your questions. We hope you can join us!
