

IBM DevOps Webinar

Webinar [Nov 13, 11 AM EST]: IBM Architecture Room Live! Overview & Demo

Join the webcast to see how you can have real-time web-based collaboration using simplified UML to sketch, build use cases, visualize with a collection of diagrams and integrate with your DevOps pipeline tools.

Meet the DevOps experts

Kimi Cousins
Product Manager
Platforms Division
HCL

Sandeep Katoch
Enterprise Architect
HCL

Mark Meinschein
