

Join IBM at 31st Annual INCOSE international symposium

Accelerating through adversity

Learn how organizations are embracing the digital transformation of engineering to enhance their software and systems development.

Date

July 17-22, 2021

Location

incose.org/symp2021/home

Opportunities to engage with IBM

01

Visit the IBM virtual booth

- + Chat in real-time with IBM Engineering experts
- + Access insightful resources and content

02

Attend the IBM sessions

Systems Engineering Vision: The evolution of the Systems Engineering environment for a changing world
July 20, 5:30 – 6:15 PM ET

Realizing digital engineering with OSLC

July 21, 7:00 – 7:45 AM ET

03

Attend the IBM technical demo

Digital engineering in action with IBM Engineering Lifecycle Management

July 22, 7:30 – 8:15 AM ET

Insightful engineering at enterprise scale
